

PREMISES INSPECTION COMMITTEE REPORT
York Endoscopy & Specialist Centre – Level 2
Richmond Hill, Ontario

Following a review of the Inspection-Assessment Summary and submissions from York Endoscopy & Specialist Centre, the Premises Inspection Committee has issued an outcome of Pass with Conditions with the following Condition:

The Committee has directed an offsite reassessment of 10 anesthesia charts each from Dr. Shahram Karimi Zandi and Dr. Haladhra Priya Singh Laishram in 6 months' time. The Committee will expect to see improvements based on changes implemented from the current chart review including the documentation of airway assessment and anesthetic forms for pre-assessment as well as post-assessment.
